GolfSmart Partners Program

How the Program Works

- As a GolfSmart Partner, you drive internet traffic to GolfSmart.com through a specially-formatted link that allows you to track sales commissions.
- You may choose to use your own banner and we can customize our site to look like yours, or you may link directly to GolfSmart.com.
- You earn commissions on all qualifying revenue made through your links. The commission percentage is based on the type of business relationship that exists between our companies. This percentage will be determined by GolfSmart at its sole discretion.
- Based on sales, commissions are paid either monthly or quarterly.

Participation is Easy and Free

- An application form is enclosed, or available online at www.golfsmart.com (click on the Partners Program link located at the bottom of the screen).
- Once submitted, your application will be reviewed and, if approved, a commission percentage assigned. You will then be provided the GolfSmart Partners Agreement, which needs to be signed and returned.
- Upon receipt of the signed agreement, you will be contacted and provided a hyperlink to post on your site, connecting you to GolfSmart.com.
- Drive traffic to your site and begin earning commissions!
